

Face to Face Membership Recruiters needed throughout Derbyshire

We are now seeking part-time and full-time people throughout Derbyshire to join our membership recruitment/fundraising team.

We are looking for enthusiastic and reliable people to work on behalf of Derbyshire Wildlife Trust at pre-booked venues and at organised events and shows. Most show and event work is at weekends during the spring to autumn season - however we also operate year-round both weekday and weekends at other venues within a radius of approximately one hour's travel from your home.

The role may be ideal for those seeking a career or lifestyle change and we welcome applications from mature, professional people with above average communication and interpersonal skills however age is not a barrier. Applicants must be enthusiastic, outgoing and enjoy meeting people from all walks of life. Working patterns are flexible: typically 3-5 days per week. We offer various generous income options including bonuses: A Self-Employed/Freelance option is also available with potential for significantly higher earnings. No previous experience is necessary as full training is provided. Access to your own transport is essential. Informal local interviews will be held in Derbyshire.

CMFundraising (CMF) works closely with local Wildlife Trusts throughout the UK: Our teams have proven incredibly successful; recruiting approximately 98,000 new members in 2007 raising approximately £3 million in new annual donor support.
