

## Details

Each Wild Day Out costs £50 per head plus VAT (10% off for our corporate sponsors). Minimum charge £400.

Our days typically run from 10am–4pm with an hour for lunch. Your group will start with an introductory briefing in the Wildlife Discovery Room before breaking into smaller groups for the activities. To book contact Carol Phillips on 01773 881188 or email [cphillips@derbyshirewt.co.uk](mailto:cphillips@derbyshirewt.co.uk)

## Location

Our corporate days are held at the beautiful Carsington water, near Ashbourne. On site facilities include toilets, restaurant and café, visitor centre, as well as our indoor and outdoor classrooms.

## A little bit about us...

We are the only organisation working to protect all wildlife and wild places in Derbyshire for everyone to enjoy.

Established in 1962 we manage 43 nature reserves covering more than 688 hectares.

Your company can be a part of it by becoming a corporate supporter. Call Carol Phillips on 01773 881188 or email [cphillips@derbyshire.co.uk](mailto:cphillips@derbyshire.co.uk) for more details.

# Wild Days Out

## Team building for Business

100%  
of profit from our corporate  
days goes straight back  
into funding our  
activities with  
schools & children!

# Inspire your staff with a wild day out!

Our corporate team building days are ideal for professional development, stress busting or for an end of year get together. We can provide a really memorable day out which boosts morale and develops new skills.

Research shows there are five steps we can all take to improve our mental wellbeing and by following these, your staff members will feel happier, be more positive and reconnect with each other as well as the natural world.

Our corporate day activities are based around helping your staff to take the five steps in a safe, natural environment. With a number of activities to choose from, we can tailor your day to suit your staff.

## Team Challenge Options:

**Water Survival Challenge:** make dirty water fit to drink. Finish with a cuppa made from your results!

**Fire Challenge:** Learn the basics of fire lighting and do the 5 minute fire challenge. Finish with cooking some bread on your fire.

**Shelter challenge:** Learn about natural shelters then see which team can weather the storm!

## Caserratia work:

Your group will get active and make a lasting legacy to wildlife by helping to complete a conservation task on site. Prior experience is not necessary, safety and tools talks will be given and tasks will be supervised at all times. We cater for all abilities and tailor activities accordingly.
