

Derbyshire
Wildlife Trust

In your school grounds with your Wildlife Trust

"We believe that every young person should experience the world beyond the classroom as an essential part of learning and personal development, whatever their age, ability or circumstances"
Learning outside the Classroom Manifesto

Derbyshire Wildlife Trust

We can help your school develop your grounds to create a valuable learning resource and vital habitats for wildlife. Our activities can be adapted for pupils of all ages and abilities.

Educational Activities

- Mini-beasts hunts
- Pond dipping
- Earth walks
- Hibernating hedgehogs
- Tree and plant ID skills
- School grounds "eco" survey
- Composting and recycling
- Environmental art and crafts

Practical Projects with Children

- Tree planting/woodland management
- Wildflower meadow creation
- Pond creation
- Wildlife hotels, log piles, bat, hedgehog and toad boxes and "giant's head" animal homes
- Living willow domes and structures
- Butterfly/sensory/herb/flower gardens
- Setting up vegetable/fruit growing projects
- Bird feeding stations and building nest boxes

Teacher Training

- Creating, using and maintaining features
- Attracting wildlife to your school grounds
- Planning for change - how to go about developing your grounds
- Environmental education activities and ideas

Other

- Bushcraft/forest schools/outdoor play
- Lunch time/after school gardening/wildlife/eco club
- School holiday club activities
- Practical task days with parents, pupils and volunteers

Prices

Our current charges are £250 for a full day and £125 for half a day. Hourly rate available for After School Clubs.

Safety and Supervision

We make all our activities as safe as possible without diminishing the "hands on" value.

All activities are risk assessed, a copy will be sent out with booking confirmation.

All staff are first aid trained and have Enhanced Disclosure DBS clearance. Overall responsibility for discipline and safety remains with the class teacher at all times.
