

Derbyshire Wildlife Trust

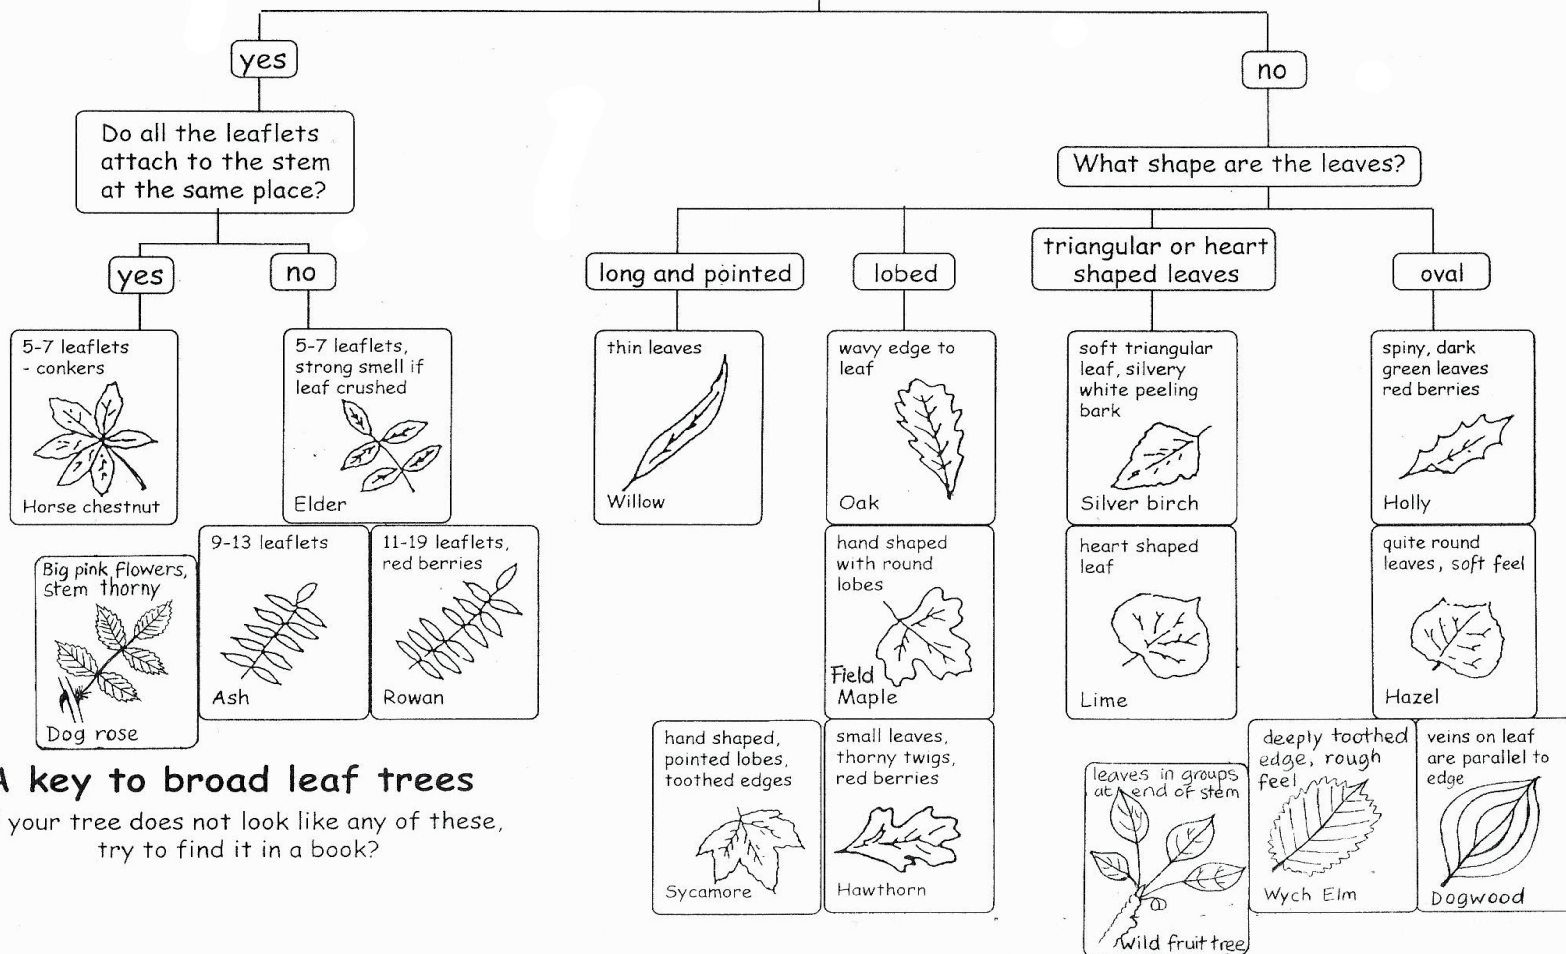

Use this ID key and our Tremendous Tree videos to get to know the trees on your door step, garden or local natural and wild space.

Once you have found the tree tick it off on this sheet or make a note of it.

Share with us what you have found on our Wild Wellbeing Facebook Page.

Identify a tree using this Leaf Key

Are there several leaflets making up each leaf?

A key to broad leaf trees

If your tree does not look like any of these, try to find it in a book?
