

Wilder Communities Engagement Volunteer - Volunteer Role Description

Role Description

Title of Role: Wilder Communities Engagement Volunteer

Responsible to: Wilder Communities Officer

Location: Various across Derbyshire

Time commitment: Flexible

General Information

We are working hard to ensure everyone in the Derwent catchment has the chance to be involved in improving resilience to flooding in their community. This role will support in the running of community events, engaging with communities and the collecting of evidence.

Activities can include tree planting, community events, working with school and community groups and citizen science.

This is a great opportunity to be involved with important work, however, this is not a weekly role, the level of opportunities to be involved in will vary monthly, dependant on when events are being held etc. There will still be many opportunities to be involved throughout the year.

Main duties

- Assisting staff in planning and preparing for events and activities
- Assisting staff in the delivery of events and activities
- Aiding in the finding, contacting and working with community groups and parish councils.
- Being involved in the collection of feedback, evidence and other data.
- Other duties and opportunities may arise as the project moves forward.

Skills / Qualities Required

- A willingness to sometimes work outdoors and learn something new
- Enthusiasm is essential!
- Personable and sociable
