BE A
JayDay

How to Be a Jay for the day...

Hide some acorns. Plant some Oak trees.

Step 1:

FIND YOUR ACORN

have a look in your garden, park or on a walk!

Step 2:

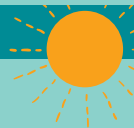

FIND A PLACE TO PLANT YOUR ACORN

such as your garden, the woodland you found it in
or even start it off in a pot!

Step 3:

BE A JAY & BURY YOUR ACORN

around 3cm into the ground,
ideally where it gets lots of sun

Step 4:

MAP YOUR ACORN

on our website

Step 5:

GIVE IT TIME

and go and check on your acorn after
winter to see if it has sprouted!
